**To whom it may concern,**

**Since the year 1999 I have had the pleasure of employing Lilian Viana. Her singing and dancing talents are surpassed only by her extreme professionalism. She has always been eager to accommodate under the most stressful situations and has been instrumental in helping us to achieve a consistant high level of success.**

**Our company has a very broad scope of entertainment activity. Lilian has performed admirably and has shown great range and versatility.**

**I feel very comfortable in recommending Lilian for any employment opportunities that may arise. She is especially gifted as a vocalist and versed in both Brazillian and American Pop music styles.**

**I am confident that Lilian will put forth the effort necessary to accomplish any goal that she desires.**
