

To Whom It May Concern

This letter is to state that Lilian Viana performed as a singer at our Restaurant / Lounge, with weekly musical performances, for the period of one year between 2003 and 2004.

As the lead singer of a trio formation group, she sang an international repertoire including American and Latin jazz as well as some pop and top 40 tunes.

Lilian's very eclectic style and energetic presentation guaranteed the on going participation of a loyal audience as much as it was very inviting to a new crowd, every week.

Her stage presence and interaction with the public assured, in part, the long duration of the band's contract.

We'd like to express here our appreciation for her personal engagement into providing the house with high quality entertainment as well as her very professional standards.

We highly recommend this artist's work as a singer-entertainer, and will certainly keep our doors open to the possibility of having her perform at one of our establishments again at any time in the future.

Sincerely,

A handwritten signature in blue ink, appearing to read "Michelle Gash".
